

# Outstanding **WOMEN** of Scotland

## Do you know a woman who has changed Scotland?

The *Outstanding Women of Scotland* campaign began in February 2014, celebrating a woman who has made a significant contribution to Scottish culture and society through social media each day.

To celebrate International Women's Day, and the women who have made a significant difference to Scottish culture through their influence and leadership, the Saltire Society and Glasgow Women's Library will be announcing its inaugural list of ten outstanding women at a celebratory event on the eve of International Women's Day 2015.

Members of the public are invited to nominate the women they feel should be considered for this honour.

- Had a profound impact on the culture of Scotland
